Kixx G SJ

Gasoline engine oil, the perfect fit for smart consumers

API SJ

DESCRIPTION

Kixx G SJ is a high quality engine oil designed to meet the requirements of passenger car and light truck engines where API SJ performance is required.

APPLICATIONS

- Gasoline engines (four-stroke)
- Gasoline engines equipped with emissions control equipment
- Industrial and marine applications of passenger car type gasoline engines
- Diesel Engines (high speed, four-stroke, naturally aspirated)

PERFORMANCE STANDARDS

- API SJ

CUSTOMER BENEFITS

Enhanced Engine Protection

Proven metallo-organic anti-wear additive system forms a protective layer on contact surfaces to control wear. Effective corrosion inhibitors protect against rust and corrosion.

Trouble-free operation

Special combination of detergent and dispersant additives controls piston and ring deposits that can adversely effect power and performance.

Long periods between overhauls

Good thermal stability and oxidation resistance combats in-service oil degradation that contributes to filter blocking and sludge formation.
